About Us

Urmila Gavya Sewa Sansthan is a famous company in the market that caters to the requirements of a large number of cattle farms. We provide a range of cattle feed supplements, tools, machines, and equipment that are used on farms or in making dairy products. As a trader, we source and supply Sharkoferrol Cattle Feed, Servatec Calf Milk Replacer, Venky's Trans Care Cattle Feed, and many other products for cattle. In addition, we meet the market requirements for Semi Automatic Milking Machine, Black Rubber Cow Mat, Bulk Milk Cooler, Aluminium Milk Can, Cleaning Brush, Paneer Press Machine, Cream Separator, etc.

Our huge product portfolio allows us to cater to the requirements of a large number of customers and regularly earn profits. With the help of several vendors, we maintain different items in our portfolio and serve customers.
